rhythm

The throbbing of drums . . . shuffling feet . . . school yells
 . . . the heart beat . . . hand claps . . . the rhythm of daily
 classes . . . all combining to form the complex rhythm of school
 life . . . the student and the teacher . . . their rhythm . . . all
 part of the greater universal rhythm of life . . . this is the theme
 of our '58 Teocalli.

The rhythm of the
 heart is the rhythm of
 the universe. It is the
 rhythm of the stars and
 the planets. It is the
 rhythm of the wind and
 the waves. It is the
 rhythm of the flowers and
 the trees. It is the
 rhythm of the human
 body. It is the rhythm
 of the soul. It is the
 rhythm of the universe.

rhythm ...

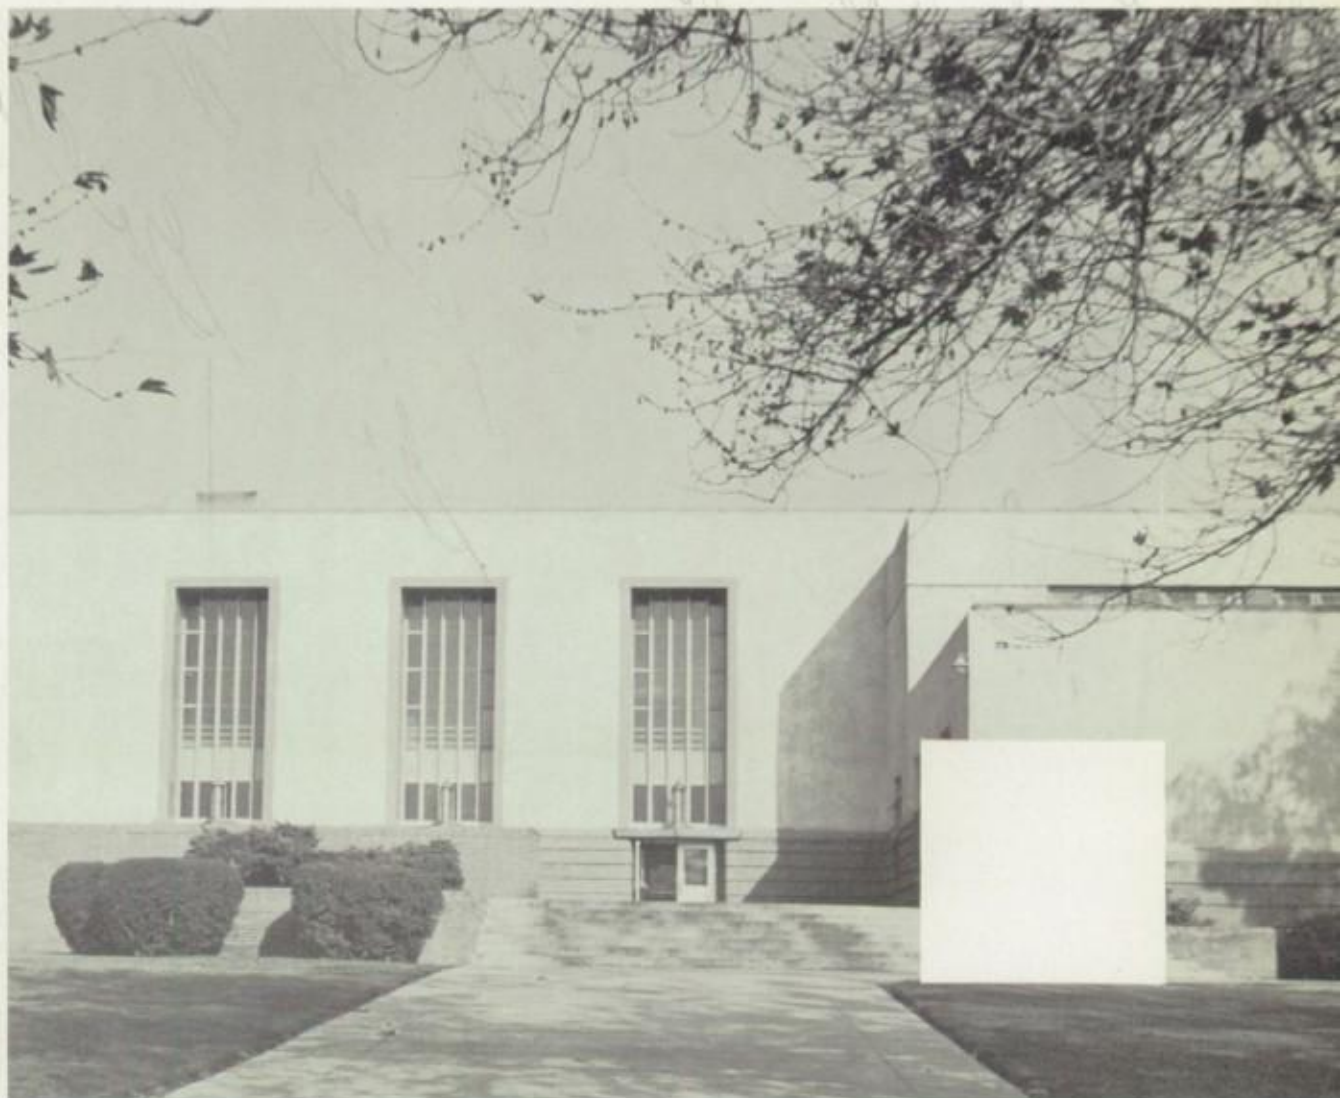

Rhythm is a universal force. It is seen in the seasons that march across the land, in the stars that sweep across the heavens, and in the movements of the sun, the wind, and the tides. Rhythm is felt in the surge of crowds on busy streets, and in the easy tempo of a school campus. There is rhythm in the tick of a clock on a classroom wall and the writing on a blackboard.

campus rhythms

Rhythm is found in the football games and chapter tests. It is found in the conjugation of foreign verbs and in the spinning teeth of a power drill. Rhythm is found in the pattern of tables in the cafeteria, the notes on a music sheet, calypthenics, rows of lockers, and the steady beat of fingers on typewriter keys.

A pattern of white clouds, bright walls, and dark leaves.

The busy hum of lunch court activity.

The lone pine, an effective contrast to Keppel's low line.

The Crown and Sceptre is Keppel's Senior Honor Society. The sixteen members are chosen with attention to their over-all grades and merits in their years at Keppel, and their active participation in school activities. The standards are high and to be chosen as a member of the Crown and Sceptre is a much sought after distinction. Its role is to serve as Keppel's hosts and hostesses to parents, to other schools, and to the general public; and to this end the members have done an outstanding job. Truly, the members of the Crown and Sceptre have set the tempo of our yearly rhythm.

The annual staff presents to you the 1958 Teocalli.

Our slow preparation of layouts became the background music for a year that began to move faster and faster. The tempo increased as we ordered pictures, wrote copy, overcame frustrations, and met our deadlines.

As the results of our efforts began to fall into place, the tempo changed again and became a pleasant rhythmic beat of satisfaction.

We hope you all will enjoy with us this Teocalli of "rhythm".

seniors

Success! The Senior year! The goal of every student has been reached! The rhythm of school life was magnified by these seniors as they rushed from one activity to another. With the nearing of graduation, the tempo of four years at Keppel reached its peak. Highlighted by the Junior-Senior Prom and the All-Night Graduation Party, this year has taken its place at the top of a long list of valuable memories in the lives of Keppel's 1958 graduating classes.

No one group of people here at Keppel has given more life to this 1958 year of rhythm than have our classes. They were the chief cause of this unmistakable rhythm, and they were its greatest driving force. Our classes displayed the many phases of school rhythm as they struggled with dates in history and the conjugation of verbs in Latin, as they talked and joked with friends on the campus and in the halls, and as they eagerly took part in the spirit of Keppel's rhythm at rallies, at dances, and at all the games.

having a great
year. Love,

The Sweetheart Ball sponsored by the Sophomore Class, has aided them by getting them into the "swing of things" here at Mark Keppel.

They are now ready to accept the joys and responsibilities of their junior year. We hope we shall see many more exciting events like the Sweetheart Ball and we are sure that our future Juniors will lend a distinguished air to the halls of Mark Keppel.

This year as always, the administration and our teachers have been responsible for the careful planning and smooth coordination of school life and activities. Throughout the year our teachers have followed the daily pattern of giving lectures and patient explanations, correcting papers and attending meetings, and have taken part in extra-curricular activities pertaining to our school. Both the teachers and the administrators are unceasingly searching for more enjoyable and worthwhile methods of teaching and discarding old and out-dated ones. During a year of busy, and sometimes hectic tempo, these people have given appreciated guidance and quiet encouragement. To the administration and the teachers we owe the ever-present hum of Keppel's rhythm.

A school board of education, like a metronome, sets the beat by which the rhythm of the school year is regulated. By determining the educational policies of the district and carrying out the authority delegated by the State of California, the Alhambra Board of Education affects the life of each student at Mark Keppel High School. In perfect counterpoint to this important tempo are the activities of the administrators. All the important supervisory work, which is vital to a harmonious system, is faithfully carried out by these men. The students at Mark Keppel are truly fortunate in having a bass section of such eloquence.

A student body, just as a piece of music, may have rhythm, in the vernacular of the day, it may have beat. Keppel through the years has had rhythm, although at times it has been broken rhythm. At their best Keppel's many activities and personalities have moved along in nearly perfect rhythm. These periods have occurred when all phases of school life have moved along smoothly together. It is our hope that in years to come we may have more and more rhythm so that our school will happily fulfill its greatest expectations and stand out as a school of superior attainments.

Congratulations to the Winter and Summer Classes of 1958. We expect top performance from you and in turn you may be assured that future classes will continue the rhythm pattern which has been set by you and your predecessors.

Marion Arzt

Miss Arzt is ever eager to listen to our troubles and guide us through our everyday difficulties with patience and understanding. Her work is difficult, but the satisfaction to know a student is succeeding in school or life is an adequate reward. Although at times discipline must be enforced, she performs it with the utmost kindness and consideration. Her tact and encouragement in solving a difficult problem is remarkable. Miss Arzt is truly one of the best liked members of the faculty of Mark Keppel.

Mr. Kemp, sitting behind his desk or walking about the campus, is always ready to give his sound advice to anyone in need. As Boys' Vice-Principal, his duties are multiple in promoting harmony throughout the school. His fairness is well recognized and appreciated by every one of his students. Though some problems may present many difficulties, he weaves through them with a knowing hand.

Our counselors here at Mark Keppel work hard to make every student's day one of learning and fun. Mr. Freeman, our ninth grade counselor, guides baffled Freshmen through the day with a knowing hand. Our tenth grade counselor, Mr. Anderson, gives advice to searching Sophomores through the trials and

tribulations of tenth year English and Health and Safety. Our eleventh grade counselor, Miss Busher, is diligently preparing her Juniors for the large responsibility of their Senior year. Mrs. Bennett, our twelfth year and head counselor, helps the Seniors find the opportunities that await them.

Mr. Bisetti, Child Welfare

The purpose of the Child Welfare Office is to assist Keppel students with whatever problems they have at school. By keeping in touch with various church and community welfare organizations, and by personal counseling, Mr. Bisetti has helped many students in their years at Keppel.

The Mark Keppel Parent Teachers Association is responsible for the close cooperation between the students, the parents, and maintains a Thrift Shop, sponsors monthly programs in order to clarify to the public the job the school is doing, awards scholarships, and gives out loans to both high school and college students. This year, more than before, the Mark Keppel P.T.A. has done a marvelous job in bringing persons associated with the school toward a closer, and better understanding.

Preparing delicious meals for the hungry, and serving them in a pleasant manner, is part of the daily work of the Mark Keppel Cafe Workers.

The tap of a typewriter; the clang of a file cabinet, this is part of the daily pattern that makes up the day of the Secretaries at Mark Keppel.

Clean floors and blackboards throughout the halls and rooms of Mark Keppel are just part of the daily work of the custodians. They are always ready to lend a helping hand or broom to those in need.

Safely transporting Keppel students to and fro and getting them there on time is the job of the Mark Keppel Bus Drivers.

clubs

Cake and cookie sales, the distribution of poppies and white canes, stuffed dolls and bean bags for hospitals and orphanages, decorated showcases, the raising our Victory Flag—these are but a sampling of the many activities in which Keppel's clubs take part. As they are composed of small groups dedicated to school and public service, our clubs are close to the beat and throb of campus activity, and because of this, they are the ones we can thank for the promotion of school service, spirit, pride and loyalty.

organizations

Everyone at Keppel took part in our year of rhythm, and our organizations advertised the fact. They were the students who, for the most part, were our chief representatives to other schools and organizations, and to the public as a whole. As members of such groups as Band, Cabinet, Junior Statesmen, and G.A.A., they carried Keppel's keen sense of campus rhythm to all they encountered. These people portrayed a wide variety of Keppel interests, and they soon became the strongest promoters of our school's tempo.

Working hard on the correlation of the academic, athletic, and social activities of our school year were the 1957-1958 Cabinets. First semester's Cabinet sponsored the "Foreign Fling" and the activities of Homecoming Week, and laid the foundation for Keppel's Clean-up Campaign. The members of Cabinet during this second semester carried out these plans for beautifying Keppel's campus, sponsored the "Seaside Stroll," and worked with the Band in the preparation for our End-of-the-year Mardi Gras.

The raised baton brings a hush over the orchestra as the members wait in readiness for the signal that is followed by a succession of notes. The strings, woodwinds, brass, and percussion instruments combine skillfully in harmony and tempo to form that greatest of all magic known as music.

Under Mr. Kozlow's expert conduction the Keppel orchestra played in the Christmas program, at Ramona and Repetto Schools, and in the Annual Spring Concert. Within the orchestra's repertoire are such stirring selections as Night and Day and El Relicaria.

sports

"Let's go Big Team, let's go!" Who is not reminded of bright lights, scoreboards and tense moments as they hear the phrase that rose so often from excited Keppel fans. Surely, our sports events were the most spectacular display of Keppel's school tempo. There was the rugged rhythm of two football teams as they pushed each other from goal to goal. There was the hectic, excited rhythm of the half time and the powerful rhythm on the tennis court and the cinder path. There was the rhythmic staccato of the basketball as it was dribbled swiftly across the floor, and there was the synchronized rhythm of pitcher, batter, and fielders on the baseball diamond. It is true then that Keppel's sports events "kept the ball rolling" through our year of rhythm.

keppel vs. hoover

The Mark Keppel Aztecs opened the 1958 football season playing the Tornadoes of Glendale Hoover. Although the Tornadoes had a week more practice and a larger turnout, the Aztecs put up a good fight. The Aztecs rolled up over twice as much yardage as the Tornadoes, 257 yards against 103 yards. The final score—Aztecs 6, the Tornadoes 19.

keppel vs. san gabriel

The Aztecs buried the hatchet and also won it for the second year in a row. The score was 7 to 7 until the fourth period, when the Aztecs rallied with an 18 yard pass and a 62 yard drive. The final score — Mark Keppel Aztecs 20 and the San Gabriel Matadors 7.

keppel vs. rosemead

Although the Aztecs were held to a scoreless first half they rolled up a total of 33 points in the second. The total yardage for the Aztecs was 377 yards against 90 for the Panthers. This was the first year that the Aztecs played the Panthers when the outcome of the game did not affect Keppel's league standing. This was a neighborly practice game although the Aztec Eleven beat the Panther squad 33 to 0.

keppel vs. el monte

This year El Monte took sweet revenge with a stirring victory over a hard-fighting Aztec eleven. Last year the Keppel Eleven nosed the El Monte team out of the league championship. The first half was anybody's game as it ended 6 to 0 Lions. The Lions' second score came in the fourth quarter as a result of a 63 yard run. The game ended with the Aztecs sitting on the short end of a 12 to 7 score.

keppel vs. monrovia

The Aztecs ran into an extremely rough squad but through great effort and grim determination managed to hold down the score. The Wildcats had a total of 4 touchdowns called back. The Aztecs' first score came when an Aztec sneaked through from the 12 yard line for 6 points. Final score—Aztecs 6, Wildcats 20.

keppel vs. arcadia

The Aztec eleven was shocked to discover at the end of the first half Arcadia leading 7 to 0. Keppel's first touchdown came in the third quarter with a thirty yard scamper by the Aztec fullback. The final break came in the fourth quarter when Arcadia quick-kicked right into the hands of an Aztec line-backer who ran it back for forty yards and a touchdown. Final score—Aztecs 12, Apaches 7.

keppel vs. alhambra

The cross-town rivalry promised to be another thriller, as both teams seemed to be evenly matched. After a scoreless first half a Moor backfield man scampered around his right end for a Moor score. The Aztecs followed on their heels with a 60 yard pass for a score of their own. The next Moor score came in the fourth quarter. The Moors capitalized on an intercepted pass and turned it into a touchdown. Final score—Aztecs 7, Moors 14.

keppel vs. whittier

Last year when the Aztecs played the Cardinals of Whittier they were in a two way tie for first place. This year, Keppel's league record was four losses and one win, while Whittier was undisputed league champion. The champions proved too sharp for the Aztecs, who tumbled to the tune of 27 to 0.

Under the expert coaching of Mr. Ameluxen the Bee team had the makings of a very sharp machine, but just couldn't get started. Although the Aztecs fought valiantly, at the final gun the competition proved to be a little hard to handle. It's been nice knowing you and I know you and I will be good friend still in the future. "Remember the Cafeteria and the ball we had there."

Coach Horst expressed extreme confidence in his warriors at the beginning of the season. In spite of the early losses Mr. Horst feels that the Keppel Varsity will do well in league play. Even the losses, Horst feels, have been valuable experience for the coming league season. A stimulating victory over El Monte may prove prophetic.

I know you are into a lot of Club and will probably end up President one of these days. You have a good personality and will carry it on through the next years to come. Here we are all.

Lady Fortune didn't smile on the Aztec Track Team this year. Although the biggest game of the season—the Alhambra game—was won, this didn't hold for the rest of the season. The early rains were responsible for the postponement of many meets. But although the season was soggy,

spirits of the team remained undampened throughout the year. In fact, sparkling individual performances provided rays of sunshine which, together with the promise of B and C replacements, fortells a bright future for next year's Varsity.

The Archery Club and Orchesis Dance Club as a part of G.A.A. helped make the year a successful one by presenting various programs to the student body.

The Young and the Fair, the Foreign Fling, Homecoming, the Sweetheart Ball, **My Sister Eileen**. This was a busy year of social events here at Keppel. Freshmen and Sophomores, Juniors, and Seniors, Alumni and faculty—all were engaged in a whirlwind of fun and frolic. There was the scurry of activity as themes and bands, plays and casts were decided upon, and the nervous tension mounted as the last seconds ticked off before the raising of the curtain and the crowning of a queen. These were times we will always remember; these were the happiest moments of our school experience, for underlying each event was the deep pulsation that is the rhythm of a school having good times together.

fling

The night is here for our "Foreign Fling" and as eight o'clock draws near, the scene becomes dominated by dark complexions, slanted eyes, and strange exotic costumes. Gliding by pyramids, outriggers, towers, and temples, were Sheiks and Frauleins, handsome Caballeros, and Dutch girls with wooden shoes. In a splash of color, a graceful Senorita whirls around the floor in the arms of a brightly-sashed gondolier, and a French girl with a beret smiles coyly at a boy with lamp black on his face. As the evening wears on, costumed couples and those with matching shirts and skirts detach themselves from the dancing just long enough to have a picture taken, grab some cookies and a cup of punch, or have a chat with old friends. The magic had to end, and so at midnight, with the playing of the last dance, our boys and girls from foreign lands came back to reality with memories of an evening of gay tempo that will not be forgotten soon.

Just a bit of the Bavarian Alps is reflected in these cunning costumes.

THE YOUNG AND THE FAIR, a decidedly different serious drama, proved a refreshing change from the usual spring comedy. Leaving broken traditions in its wake it was also the first play open to the entire school, the play being traditionally reserved for seniors. Since it made these marked changes, it is perhaps only fitting that this play should be the only play in Keppel's history to have an all girl cast. All in all, The Young and the Fair, with the accent on the unusual, provided the offbeat tempo in 1958's rhythm of activities.
